CIPRIANI

ABOUT US

Cipriani Monte Carlo is located in the heart of the Principality of Monaco, at the base of the prestigious Mirabeau building, on Avenue Princesse Grace. Opened in 2010, Cipriani Monte Carlo quickly became one of the leading restaurants on the Côte D'Azur and a dining institution in the Principality of Monaco, reflecting the excellence and the prestige of Cipriani brand.

The ultra-modern, glass façade offers a striking introduction to the refined warm interior, where rich mahogany walls, polished steel, mirrors and marble floors are complemented by Cipriani's signature brown, leather chairs. The ambiance is of a luxury yacht with the nautical theme enhanced by 'trompe l'oeil' boat windows and banquettes adorned with royal blue, red and white striped cushions. On the ground floor, the space is divided between the main room and the more intimate 'Veneziana Room', while the upper floor features Terrazza Cipriani, an ideal setting for private events.
